## TESTIMONIALS

*Rosy is a brilliant creative who pays attention to detail as well as the client's needs and positioning creating great work which delivers the desired message. She is immersed in the culture and rips on a snowboard.*

**CHRISTOPHER STUMBLES RED BULL**

*Rosy is a superstar. I love that I can generally describe a vision or concept and that she has such a depth of experience she can fill in the blanks and then articulate visually what I've been dreaming about mentally. She's a great find and I count myself lucky that we get to work together.*
